

# SUMMER READING LIST 2024-2025

**Read from the grade level you are entering into in August.** The purpose of our summer reading program is to create lifelong, independent readers who truly enjoy the wonder, adventure, and excitement of reading a good book by offering opportunities for recreational reading. With these thoughts in mind, students are asked to read books from the required book list over the summer months. **To receive credit for reading the required books, students must list the book's title and author, and a guardian must initial each line.** Feel free to complete the last page for this purpose. Students need to be prepared to discuss these books with classmates and teacher upon returning to school. The choice to read additional books is highly encouraged and earns the student an invitation to a special *Back-to-School Rapid Readers Pizza Party!*
